Award of *Improve* EPCM contract in Western Australia

WorleyParsons has signed a framework agreement with BHP Billiton Iron Ore Pty Ltd for the provision of services in respect of the preparation of project studies and execution of sustaining capital projects over a five year term.

Under the agreement WorleyParsons will provide the full range of engineering, procurement and construction management (EPCM) services to assist our client to deliver its portfolio of sustaining capital projects across mine, rail and port operations.

WorleyParsons will be providing these services under its *Improve* business stream which is focussed on delivering ongoing improvements to our customers' significant capital assets through long-term mutually beneficial relationships.

John Grill, WorleyParsons' Chief Executive Officer, said: "Through this agreement we are able to bring our expertise from our global minerals and metals business together with our experience in long term contracts to our client."
